

# State Finals Grade Check

As per our WSHSRA Standing Rules we will be doing one last grade check to make sure our student athletes have a minimum of a 2.0 GPA to compete at state finals. A current progress report dated May 18th-May 27th must be uploaded to your NHSRA account. This progress report must clearly show the date, the students name, the school or enrolled program name, and the current GPA/current grades (not cumulative GPA). This must be uploaded no later than May 27th at noon to give us time to check everyone's grades. If you are unsure if you will be GPA eligible, please reach out to us prior to the due date.

We want every member to succeed, so here are some options of what is acceptable:

1. A printed progress report signed by your school showing current grades dated between 5/18/21-5/27/21
2. A screenshot of Skyward (or the grading platform your school uses). It must show the kids name, school, current grades and date
3. A letter from your school or counselor stating that you are meeting the current GPA requirements of a 2.0 or better and be signed and dated.

Example of acceptable Skyward Screenshot

The screenshot shows the Skyward Family Access interface for a student named Allie K. Newman. The user is logged in as T.J. Newman. The page displays a gradebook for the student, showing a missing assignment for JR Business Leadership. The current grades for four classes are highlighted in yellow and circled in red: Fundamentals of Technology (A), Math - 8th grade (A-), 8th Grade US History (A), and JR Business Leadership (A). The school name is also circled in red. The date and time in the bottom right corner are circled in red.

Class	Q4	S2
FUNDAMENTALS OF TECHNOLOGY Period 1 (8:30 AM - 9:47 AM) JACQUELINE FLOETKE	A	A
MATH - 8th grade Period 2 (9:52 AM - 11:09 AM) JOHN HAEMMELMANN	A-	A
8TH GRADE US HISTORY Period 3 (11:45 AM - 1:02 PM) NICHOLAS WEITZEL	A	A
JR BUSINESS LEADERSHIP Period 4 (1:15 PM - 2:30 PM) JACQUELINE FLOETKE	A	A
