

## WSHSRA BOARD MEETING via Zoom

5/5/2026

Called to order by President Tygh Campbell at 7:00pm

JR made a motion to approve the meeting minutes from April. Tashia 2nd. Motioned PASSED

**TREASURERS REPORT** – Tracy gave the treasurers report. Checking account has \$126,933.37, Scholarship has \$53,089.87, Central Entry has \$105,637.47, and \$2,590.85. Central Entry is large right now because of rodeo entry fees coming in and not all of the checks from the last 2 rodeos have not all been cashed. Tracy is asking to have kids pick up their checks and get them cashed as soon as possible. Tygh did ask if our checks have the 90 day print on them and Tracy said they don't but the bank will still cash them if the funds are available.

**SECRETARY REPORTS** - \*Shelby – Everything is going well and she wanted to thank Tracy and Tashia for covering for her at Coulee City when she had to leave early. \*\*Tashia – 2 or 3 new paid members since spring season started, but they haven't submitted documents. The office is going great at the rodeos and huge thanks to Tracy and Shelby for all the help in the office.

**SPRING RODEOS** – JR apologized for the length of the rodeo this last weekend and barrels and poles taking so long. He did have a dad that knows footing for barrels and poles take over and make sure the ground was good and even for all the girls. Tygh thanked JR again for doing such a great job with the production side and working so hard to make these rodeos go. JR did ask if there's a way to get more help on Sunday towards the end of the day, but there is no real solution. It's always the same people that are still there at the end. JR did say that there was a big pile of syringes, needles and bandages and garbage left behind in one spot at Othello. Tygh did say that this is not acceptable and if we find out who it is that is doing this, because it happens every weekend, back numbers will be pulled. This is the only warning here that is being given. A question was asked if the sign up genius should be broken down more for signing up at the end of the rodeo. A thank you was put out for Sara Campbell for putting the signup genius together every weekend for us. And Tygh made a shout out to the JH kids because they are the kids that are most seen out there helping. And a thank you to the adult event director and maybe get them more involved in finding help during all of the events.

**RCH/CUTTING/SHOOTING** – \*Jamie – Not on the call \*\*Sydney – State Finals cutting was a few weeks ago. The girls did great and standings came down to the last go round. \*\*\*Kelli – State Finals was good and the weather was perfect. 2 of the shooting clubs have already offered their facilities for our fall shoots. She reported that we have some top contenders at nationals with the numbers they were shooting at the state level.

**RAFFLE** – Michele – Most of the tickets have been returned. There are a few kids that still have their tickets for the kids that joined in the spring and those are due by Yelm. Roughly \$95,000 has been raised so far. The jackets and sweatshirts have been ordered and the side x side has been paid for and will be at State Finals. Tygh has the raffle ticket tumbler and will bring it to state finals.

**STUDENT BOARD** – We need to get nominations opened up. Tashia and Addie will get together and send information out in Wednesdays email. Addie reported that prom has been situated out and they are getting it planned and what they are going to do for it. They have nothing planned for this weekend at Basin City but we may put together a fun family event.

**HS NATIONAL DIRECTOR** – Sue – Not on the call. Tygh has some information that he shared and things getting worked on for state finals.

**SPONSORSHIPS** – Becky – We have 1 buckle left to get sponsored and 8 saddles left. Everything is coming together nicely. She is getting thank you cards ready. Sara asked if anyone could take the pictures of the winners at state finals and have a list of champions and sponsors so she can put everything together. Becky asked about the senior slide show and senior felt back numbers. She will get this all figured out and make sure it's handled.

**SCHOLARSHIPS** – 23 applicants for the 25/26 senior scholarships. She has people set up to read the applications and judge. She will get a scholarship interview schedule set up and get that information to Tashia to publish. The 70/30 raffle is going OK, but she is hoping to get more tickets sold.

**QUEEN UPDATE** – Crysti thanked Sara for adding flag carriers to the signup genius. She did ask if we have a Hyer flag and a BEX flag. Tashia said that the national office has been working on getting new flags. Crysti also asked if the budget that we agreed on this year will be built in to the budget every year. This is a \$500 budget for the category awards at the pageant. Crysti has been working on the schedule for the pageant. We have 3 contestants this year. There will be a silent auction for the queen fundraiser as well. And she has 6 judges and is requesting \$50 gift cards for each of them. She is almost certain that this will fit in the queen budget. Also, she wants to discuss that the queen technically is responsible for the social media aspect of our accounts. There was discussion on student board positions and this will be researched and brought up again at a later date. Tygh will look into this.

**STATE FINALS** – We have a tentative schedule for state finals. Friday – Queen, scholarship, raffle, meeting, back numbers. A plan and schedule is coming together and a schedule will be out soon.

**DIRECTOR REPORTS** – Charly Hennigar wants to see the arena ran the same way as nationals. No parents in the arena, no warming up in the arena, no horseplay in the arena, coming in from the back of the box, etc. We need to get more professional during our rodeos and start running our rodeos more like nationals. This will make us look better, and make our rodeos run faster and smoother. He also wants to remind these kids to understand sportsmanship and respect. We don't need to see kids mad about a bad run or language being thrown out there. This again is a reminder that back numbers can be pulled. Everyone signed a code of conduct in order to be able to compete.

Adjourned at 8:31pm

Next monthly BOARD meeting will be Tuesday 6/2 via Zoom @ 7pm
